Amazing things happen when diverse communities work together to create positive change. Together, we are making things right for our communities, our planet and our future.

Welcome!
Since our founding in 1959, we have provided a diverse community of students with access to a high-quality, research-intensive learning environment committed to the public good. Wherever your career takes you, the knowledge and skills you will develop at York through immersive experiential learning will prepare you for success in a rapidly changing global knowledge economy. You are joining a network of motivated, talented and innovative students, faculty, course directors, staff and alumni, who are working together to right the future. Welcome to York, a community connected to what matters and where remarkable opportunities await you.

Rhonda Lenton
President and Vice-Chancellor
York University

York by the Numbers

10,205+ international students from 156 countries
200+ academic degree programs
347 international university partners

Land Acknowledgment
York University recognizes that many Indigenous Nations have longstanding relationships with the territories upon which York University campuses are located that precede the establishment of York University. York University acknowledges its presence on the traditional territory of many Indigenous Nations. The area known as Tkaronto has been cared for by the Anishinabek Nation, the Haudenosaunee Confederacy, and the Huron-Wendat. It is now home to many First Nations, Inuit and Métis communities. We acknowledge the current treaty holders, the Mississaugas of the Credit First Nation. This territory is subject of the Dish with One Spoon Wampum Belt Covenant, an agreement to peaceably share and care for the Great Lakes region.
A Space for Everyone

Our diverse, welcoming campuses are places where bold ideas take shape and lifelong connections are made. York is an accessible and inclusive space with 20+ community support partners to make your health, safety and sense of belonging our greatest priorities. go.yorku.ca/campuses

Our Campuses

Keele Campus: Walk the scenic paths of our main campus, a thriving community hub enhanced by its proximity to the GTHA, featuring athletic facilities, studios, labs, residences, restaurants and green spaces.

Glendon Campus: Located in the dynamic, urban landscape of midtown Toronto, Glendon offers an intimate and welcoming bilingual environment at its picturesque, ivy-lined campus.

Markham Campus: Opening in 2023, academic programs and research at our newest campus will revolve around the core themes of technology and entrepreneurship and how they are driving innovation.

Fast Facts about Canada

• #1 country in quality of life.*
• Best country in the world, 2022*
• Second-largest country in the world with ten provinces and three territories.

* Best Countries Report, 2021

Community Safety provides the York U Safety App, goSAFE, security services and emergency preparedness.

“I felt lucky to build a sense of community and a strong support system early in my transition to life in Canada. York’s student network is very close and I quickly felt comfortable finding my way around, joining clubs on campus and making friends with my residence neighbours.”

Aparna Mehta (she/her), International student from India BA ‘21, English

Diverse Campus, Multicultural City

York’s main campus is located in the heart of the Greater Toronto & Hamilton Area (GHTA), just a subway ride away from downtown Toronto. With two subway stations on campus, as well as a network of buses and light rail transit, you can easily explore the city’s diverse neighbourhoods, parks, festivals, sporting events and concerts.

New Ways of Teaching and Learning

York’s leading teaching and research are informed by our commitment to social justice, sustainability and the public good. Through our research, we strive to better understand and serve the world around us.

Purposeful Research for a Better Future

• Canadian Observatory on Homelessness: the largest national research institute dedicated to homelessness in Canada.

• City Institute at York (CITY): brings together urban scholars, NGOs and city planners to tackle the complexity of urbanism.

• Entrepreneurial Leadership & Learning Alliance (ELLA): Ontario’s first accelerator focused on supporting women-led product and service ventures.

• Home to 27 organized research units studying feminist research, bee ecology, refugee studies, earth and space science, digital literacy and more.

Student Research Opportunities

As a student at York, participate in meaningful research experiences through:

• Research Practicums

• Paid and Volunteer Research Positions

• Undergraduate Research Fairs

• Labs and Field Courses
Build Confidence and Community

Close-Knit Colleges
York’s college system helps to make a big university feel small. After you accept your offer of admission, you’ll be placed in one of York’s nine Colleges, providing you with a community in which to study, attend social activities, get academic help, work and volunteer.

go.yorku.ca/colleges

Home Away from Home
Join 3,000+ students living on campus in our 10 residences. Choose a single, super single or double room with shared common spaces and enjoy the convenience of a residence meal plan. York’s Residence Life team creates a supportive community experience with amazing opportunities to make friends from around the world, learn and succeed.

go.yorku.ca/residence

Residence is guaranteed for first-year students admitted to the Fall Session directly from a high school who apply by June 1.

Off-Campus Housing: Explore alternative housing options through listings, roommate boards and renter resources at go.yorku.ca/offcampus.

** Halal, kosher and vegetarian options available.

Supporting Your Transition to University
We help you succeed from the moment you accept our offer of admission! We provide a variety of supports and orientation programming to help you feel ready, including online prep modules, workshops and customized supports for equity-deserving groups. Learn more at go.yorku.ca/first-year.

Your Partners in Success

“At York, support is available to you at every level, from first year to graduation. York International was there to guide me through the study permit process and my Peer Leaders helped me feel at home. Now as a mentor myself, I love helping other students transition to York.”

Fatiah Asamu (she/her), 3rd year Financial & Business Economics
International student from Nigeria

Student Counselling, Health & Well-being offers walk-in counselling, workshops, crisis support, mental health consultation and more.

Student Accessibility Services provides support and accommodations to students with mental, physical, sensory, medical and/or learning disabilities.

Student Community & Leadership Development offers peer-to-peer programs and services that support first-year transition, leadership development and student engagement opportunities.

York International will support your success as you arrive and study in Canada, providing you with details on immigration, work permits, health services, working as an international student and more.

Libraries: Five libraries offer you a wealth of in-person and online learning resources.

Learning Skills Services helps you develop academic skills like time management, study habits and maintaining school-life balance.

Centre for Indigenous Student Services provides support services and gathering spaces for the diverse Indigenous community at York.

Career Education & Development provides job search and career exploration webinars, employer networking events, 1:1 career support and online learning modules to get you job-ready.

Athletics & Recreation is for every level of athlete, with varsity athletics, sports clubs, intramurals and exercise classes.

Writing Centres offer one-to-one writing support, ESL and disability support, workshops and group sessions.
Learn By Doing

“The opportunity to work on a real satellite space mission with the Canadian CubeSat Project team has made me a more confident leader. In addition to gaining practical experience, I’m excited to play an integral role in shaping what the future of Space Engineering education can look like.”

Haya Mohamed (she/her), 4th year Space Engineering Systems Team Member, ESSENCE pilot program, Canadian Space Agency

Submit your International Student Scholarship & Award Application by February 1, 2022.
Pursue Your Passion. Find Your Program.

Benefit from engaging programs that offer innovative course design and diverse experiential education opportunities.

School of the Arts, Media, Performance & Design (AMPD)
yorku.ca/discover/ampd
Creativity is your commodity. As you develop your passion with AMPD, benefit from superb training, rich industry connections, world-class facilities and access to an engaged, collaborative arts community.

Programs: Art History (BA); Studio Art (BFA); Cinema & Media Studies (BA); Digital Media (BA); Film Production (BFA); Media Arts (BFA); Screenwriting (BFA); Integrative Arts (BFA); Dance (BFA); Music (BA, BFA); Theatre (BA, BFA); Design (BDes)

Faculty of Education
yorku.ca/discover/edu
Join a leading faculty in Canada that is reinventing education for a diverse, complex world. Become a powerful catalyst for change by contributing to and strengthening the communities where you live and work.

Programs: Education (BEd); Educational Studies (BA); WAABAN Indigenous Education (BEd)

Faculty of Environmental & Urban Change (EUC)
yorku.ca/discover/euc
Become a changemaker for a just and sustainable future. Join EUC in a call-to-action to respond to today’s most pressing challenges facing people and the planet. Discover career paths that will create a better world.

Programs: Cities, Regions, Planning (BES); Environmental Arts & Justice (BES); Environmental Science (BSc); Global Geography (BA); Sustainable Environmental Management (BES)

GLendon College / Collège Glendon
yorku.ca/discover/glendon
Developing your language advantage by earning a bilingual degree is a smart choice — and easier than you think. At Glendon College, enjoy small classes in a close-knit community where your colleagues and instructors know you by name.

Bilingualism is not an admission requirement to most Glendon College programs.

Program Areas: Over 20 programs available in Languages; Culture & Writing; Social Sciences and Humanities; Government, Law & Social Justice; Business Economics; Sciences; International Studies

Faculty of Health
yorku.ca/discover/health
Become part of a growing, connected network that leads constructive change in health and healthcare across Canada and the globe — keeping more people healthier, longer.

Programs: Global Health (BA, BSc); Health Studies (BHS); Kinesiology & Health Science (BA, BSc); Neuroscience (BSc); Nursing (BScN); Psychology (BA, BSc)

Lassonde School of Engineering
yorku.ca/discover/lassonde
It isn’t enough to imagine or advocate for a better future; somebody has to build it. Lassonde empowers you to put ideas into action and push the world forward, as you dive into real-world challenges informed by industry experts.

Programs: Computer Science (BA, iBA, BSc, iBSc); Computer Security (BA, BSc); Digital Media (BA); Earth & Atmospheric Science (BSc); Engineering & International Development Studies (BEng + BA); Engineering (BEng) — Civil, Computer, Electrical, Geomatics, Mechanical, Software and Space

Schulich School of Business
yorku.ca/discover/schulich
Join Canada’s Global Business School and immerse yourself in a cutting-edge business education with direct program access from day one. Schulich develops responsible leaders who balance business and the public good.

Programs: Bachelor of Business Administration (BBA); International Bachelor of Business Administration (iBBA)

Facility of Liberal Arts & Professional Studies (LAPS)
yorku.ca/discover/laps
Respond to a call for cross-cultural communication and interpersonal skills by joining a faculty that’s ranked in the top 10 in Canada across several disciplines. With highly flexible and interdisciplinary degree options, study what you love and learn what you need.

Program Areas: Over 125 programs available in: the Humanities; Social Sciences; Communications; Law and Politics; Business and Information Technology

Faculty of Science
yorku.ca/discover/science
Develop a science mindset that’s valued by employers in all sectors and join a collaborative community who share your curiosity and passion.

Program Areas: Life Sciences; Chemical Sciences; Physics & Astronomy; Mathematics & Statistics

Extend Your Learning at York:
• York’s internationally renowned Osgoode Hall Law School offers an innovative and experiential legal education delivered by the country’s top legal minds.
• York’s Faculty of Graduate Studies offers more than 60 full- and part-time professional and academic degree programs and diplomas to deepen your expertise and lead you to a fulfilling career.
General Admission Requirements by School System

We welcome applications from a wide variety of international school systems in addition to those listed below. For requirements and prerequisites in school systems or countries not listed, visit: go.yorku.ca/hs-international.

International Baccalaureate (IB)
- IB Diploma with passes in six subjects: three passes at the Standard level and three passes at the Higher-level, or two passes at the Standard-level and four passes at the Higher-level.
- Minimum IB Diploma point scores of 30 or higher is recommended (scores of 28 will be considered). Minimum 4 is required in each subject unless otherwise indicated. IB Certificate candidates with six subjects are considered for admission.
- Transfer credit granted for IB courses with Higher-level final grades of 5 or better, depending on the program (maximum 30 credits). Prerequisites listed correspond to Standard or Higher level.

General Certificate of Education (GCE)
- Minimum of two Advanced-level (A2) passes and three GCSE or Ordinary-level (O-level) passes.
- Minimum average of "C" is required on Advanced-level and Ordinary-level passes.
- Grades of "E" are not considered.
- Prerequisite courses must be presented at the Advanced-level.

Caribbean Advanced Proficiency Examination (CAPE)
- Diploma with a total of at least six units, including prerequisites, and grades of 1, 2 or 3 in each unit; and 3 CSEC exam results.
- A minimum overall average of 3 of 7 is required. Higher grades required for certain programs. Transfer credits granted for courses passed at the unit-2 level with grades of 1, 2 or 3 depending on the program (maximum 18 credits).
- Prerequisite requirements correspond to unit-2 level.

Indian High School (CBSE, ISC, State Board and NIDS)
- Completion of one of the following: All-India Senior School Certificate (AISSCE); Higher Secondary Certificate (HSC); Indian School Certificate (ISC); Intermediate Examination Certificate; Pre-University Examination Certificate.
- Grade XII graduation with a minimum overall average of 60% is required for consideration to most programs.
- Prerequisite courses should not be below a grade of 55%.

West African Examination Council (WASSCE) or National Examinations Council
- West African Senior School Certificate Examination (WASSCE) or National Examinations Council (NECO).
- Minimum final grades of C4-6 or better are required for most programs.

Graduate Studies
- All programs require a supplementary evaluation except Art History, Cinema & Media Studies, Digital Media, Integrative Arts, and Media Arts.
- Math is required for Digital Media. Minimum grade requirement of 75% or equivalent.

Program-Specific Prerequisites by Faculty

*AMPD programs, Business Administration and Education have additional supplementary application deadlines. Visit go.yorku.ca/deadlines for details.
Meeting the minimum requirements or admission average ranges listed online or within University publications is not a guarantee of admission: go.yorku.ca/disclaimer.

Next Steps

Stay on Track

November
• Join us online at our virtual Fall Campus Days on November 20 (Keele Campus) and November 21 (Glendon Campus).
• Learn about our exciting programs, student life at York and how to start your application. go.yorku.ca/fcd

December – January
• Submit your supplementary evaluation or documentation if you applied to a program that requires it (programs in AMPD, Business Administration, Social Work and the Glendon iBA/BBA dual degree).

February
• Submit your International Scholarship & Award Application by February 1.

March
• Come and say hello! Join us online at our Spring Open House to experience York and connect with the community. go.yorku.ca/soh

May
• Accept your offer of admission by May 1.

Connect your future to ours. Join us at an upcoming event. go.yorku.ca/events

Markham Campus: Opening Fall 2023

Challenging the traditions of what a university campus can offer, Markham Campus will act as a unique meeting place for students to interact directly with employers, start-up companies and community partners from across the region.
