Four Unforgettable Years. A Lifetime of Opportunities.

Schulich alumni excel in every industry, and on every continent – providing innovative solutions in the 21st century world of business.

Start studying business directly after high school with some of the best and brightest young minds in Canada and from around the world.

Schulich's direct-entry pathway exposes you to a broad range of business disciplines right from day one. It allows you the flexibility to tailor your learning to suit your individual business goals and interests as you progress through the program.

“My experiences in the Schulich BBA equipped me with a diverse set of technical and soft skills, introduced me to a community of supportive students and professors, and motivated me to accomplish both my personal and professional goals.”

Mark Di Giorgio (BBA '22)
Business Analyst, McKinsey & Company

Opening the Doors of Possibility

Your undergraduate years at Schulich provide an opportunity for tremendous personal growth and discovery. Immerse yourself in a learning environment that values the inquisitive, the entrepreneurial, and the importance of corporate social responsibility in today's global economy.

Two years of core business studies at Schulich are followed by two years of primarily elective courses, allowing you to specialize your business education in up to two areas of interest. Schulich's dynamic curriculum is delivered by faculty who, as both researchers and practitioners, are skilled at bringing both theory and practical applications into the classroom.

Degree Overview

Over four years, students in the BBA program cover a broad range of business disciplines, with the option to specialize in their upper years.

Bachelor of Business Administration (BBA) Program Structure

Your Student Experience Goes Beyond the Classroom

Build lasting memories as part of an engaged and impressive student community. Develop your strengths, skills, and interests with a host of exciting co-curricular activities.

Choose from over

15

student-run clubs and organizations

From investment banking to sustainable enterprise to the Schulich Protégé Program, you'll have the ability to pursue a broad spectrum of interests alongside your studies.

Collaborate with a supportive student network to examine and share diverse perspectives on complex academic topics during study sessions, case studies, and peer learning.

The Undergraduate Business Society (UBS)

The UBS is the official student government of the undergraduate community at Schulich School of Business. UBS hosts several events and shares resources and opportunities that help shape the student experience.

Campus Culture that Embraces Diversity and Inclusiveness

Schulich's student community fosters platforms for empowerment, representation, and belonging. Cultivate leadership skills and celebrate a rich culture of diversity by participating in student-led clubs such as Women in Leadership, Black Student Association and Schulich Pride Alliance.

Explore the World While Earning Your Degree

Whether you want a two-week introduction to doing business in a new region, or want to spend a semester immersing yourself in a new culture, Schulich offers a variety of ways for you to internationalize your degree. Learn a new language, increase your cross-cultural communication skills, and build a global network, all while seeing the world!

Navigating the Transition from High School

The transition from high school to university can be a big adjustment. From the moment you accept your offer of admission to Schulich, you'll have access to a variety of resources to help you navigate this next exciting phase of your life.

Pre-First Year Experience

Throughout the summer there will be a multitude of ways to connect with other incoming students virtually and in-person. You will have an opportunity to review your courses, learn about services available to students, and meet your peers.

First Year Advisor

A current Schulich student who serves as a dedicated new student resource to answer all of your questions the summer before beginning first year.

Mandatory Advising

At key points in the Fall and Winter terms of your first and second years, you will be required to attend a mandatory advising session covering important topics to ensure you're staying on track.

Academic Advisors

Have concerns about what courses to take, an upcoming exam, or how to manage your time? You'll be assigned a Schulich academic advisor who will meet with you to discuss all of the above, and more.

Financial Aid for Your Future Investment

Schulich is committed to funding pathways to provide financial aid through scholarships, bursaries, loans, job opportunities, and academic guidance for success.

How to Fund Your Studies

KEEP YOUR GRADES UP

Access Schulich and York's top scholarships and entrance scholarships by achieving academic excellence.

APPLY FOR ENTRANCE SCHOLARSHIPS AND AWARDS

The Online Scholarships, Awards & Bursaries Application is open from December 1 to April 1 and is available through MyFile at go.yorku.ca/myfile. Your York reference number (provided when you applied for admission) is required to complete the online form. Apply early – you don't need to wait for an offer of admission.

APPLY FOR OSAP

OSAP provides eligible applicants with non-repayable government grants to cover tuition in specific programs, essentially making these programs tuition-free. Use the OSAP aid estimator available at ontario.ca/osap to see how much government aid could be available to you. Submit your OSAP application and all required documents online through the OSAP webpage before June 30 to ensure your funding is available at the start of the Fall term. osap.gov.on.ca

APPLY FOR IN-COURSE SCHOLARSHIPS AND AWARDS

Once you are enrolled in classes, you can apply for in-course awards for each academic year. A single application, called the Student Financial Profile (SFP) is used for scholarships, bursaries and on-campus employment programs. You should complete the SFP to be considered for a variety of programs and funding. go.yorku.ca/sfp

EXPLORE ON-CAMPUS JOB OPPORTUNITIES

Many York students work on campus to earn extra money, gain valuable experience and contribute to University life. Work in student services offices at a work/study position and gain technical experience and knowledge to help you prepare for your career.
