

THIS IS MUSIC

CAREER MAP

At York, you can take your musical skills to the next level. Expand your musical repertoire and learn from internationally renowned artists while personalizing your own curriculum. The study of advanced techniques will allow you to explore your creativity and push the limits in composition and improvisation. Learn styles from traditional jazz to Klezmer to Korean drumming and more – and understand the social, political and economic effects of music beyond the recital hall. Immerse yourself in the world of sound – and graduate a professional.

THE YORK PROMISE

York is here to support you throughout your unique university journey. Beyond academic achievement, we strive to enrich your student experience through personal and professional development, as well as ensure your physical and mental well-being.

1 Career-Focused Services

Career advising, career fairs and networking opportunities to help sharpen your professional edge.

2 Academic Support

Learning skills workshops, outstanding libraries, academic accommodations and transition programs designed to help you every step of the way.
