

# THIS IS ECONOMICS

## CAREER MAP

The Economics program at York University introduces guides students through the discipline of economics thinking while encouraging them to explore and analyze national and international markets. With a variety of degree options, you could combine your economics degree with another topic of interest to maximize your personal potential. Join one of Canada's leading programs in the field and learn to make a difference under the guidance of globally renowned professors teaching in exquisitely equipped facilities.

### THE YORK PROMISE

York is here to support you throughout your unique university journey. Beyond academic achievement, we strive to enrich your student experience through personal and professional development, as well as ensure your physical and mental well-being.

- 1 Career-Focused Services**  
Career advising, career fairs and networking opportunities to help sharpen your professional edge.
- 2 Academic Support**  
Learning skills workshops, outstanding libraries, academic accommodations and transition programs designed to help you every step of the way.
- 3 Social & Leadership Development Programs**  
A vibrant social scene with more than 300 clubs and organizations to enhance student life, and help you develop soft skills you can bring to the table in your future career.

#### FIRST YEAR

- Get to know the Liberal Arts & Professional Studies, Vanier College and your academic adviser.
- Visit the Career Centre for Career Exploration and Job Search workshops.
- Talk to your professors about experiential education options within your program of study (e.g. courses, co-op, internships).
- Join a student group, such as the Economics Students' Association – we have more than 300 to choose from on campus.

#### SECOND YEAR

- Visit the Career Centre to explore your future career options.
- Gain leadership experience through programs like LeaderShape or Club Peer Mentors.
- Access academic support, such as writing and research workshops, through the Learning Commons.

#### THIRD YEAR

- Meet employers and alumni to build your professional network by taking part in special events, such as Career Conversation panels led by the Career Centre.
- Find a summer or part-time job on the Career Centre Job Board with postings from 6,000+ employers.
- Get involved with professional associations and organizations like the Canadian Association for Business Economics.

#### FOURTH YEAR

- Speak to your academic adviser to ensure you have met all of your graduation requirements.
- Prepare for your job hunt with Career Centre workshops like Resume & Cover Letter Writing, Job Search Strategies and You've Got Skills!.
- Explore graduate studies through the Graduate and Professional Study Expo.
