

THIS IS LAW & SOCIETY

CAREER MAP

Delve into fields as varied as anthropology, philosophy, criminology and more to expand your understanding of how concepts of law shape societies and impact the course of history. The broadly interdisciplinary approach taken in York's program in Law & Society opens legal studies up to a wide range of explorations, honing your research and analytical skills, no matter which kind of profession you wish to pursue after graduation. Become part of one of the largest and oldest programs of its kind in North America and give yourself a solid foundation in the liberal arts to propel yourself into your future career.

THE YORK PROMISE

York is here to support you throughout your unique university journey. Beyond academic achievement, we strive to enrich your student experience through personal and professional development, as well as ensure your physical and mental well-being.
