Four Unforgettable Years. A Lifetime of Opportunities.

Schulich is one of the top business schools in Canada — and the world — offering a high-quality education that combines strong academics, hands-on learning, and a global outlook.

The Bachelor of Business Administration (BBA) program brings together high-achieving students from across Canada and around the world, and explores key areas of business while providing flexibility to focus on what interests you most. With eleven specializations and global exchange opportunities, the Schulich BBA helps you build a strong foundation for a successful future.

Get ready for unforgettable experiences and countless opportunities to learn, grow, and build lasting personal and professional connections.

A photograph of three young women sitting on a grassy area in front of large, blue, three-dimensional letters spelling out 'SCHULICH'. The woman on the left is wearing a blue t-shirt with 'SCHULICH SCHOOL OF BUSINESS' printed on it. The woman in the middle is wearing a white hoodie with 'SCHULICH SCHOOL OF BUSINESS' printed on it. The woman on the right is wearing a blue t-shirt with 'SCHULICH SCHOOL OF BUSINESS' printed on it. Behind them is a dense green hedge, and in the background, a building with large windows and a wind turbine are visible under a cloudy sky.

SCHULICH

"My experiences in the Schulich BBA equipped me with a diverse set of technical and soft skills, introduced me to a community of supportive students and professors, and motivated me to accomplish both my personal and professional goals."

Mark Di Giorgio (BBA '22)
Senior Director, Distribution Strategy,
CI Global Asset Management

Real-World Learning Experiences

With guest lectures, internships, work placement courses, and the opportunity to study abroad, experiential learning is a priority.

World Class Case Competitions

Enhance Your Education

Schulich offers a number of ways for you to further refine your subject matter expertise and enhance your marketability upon graduation.

Experiential Education Opportunities

Work Placement electives provide an opportunity to earn credit while gaining relevant experience. Apply theories and concepts learned in your core business classes in a practice-based work context, then reflect upon your actions and decisions.

CPA-Approved Prerequisite Courses

Accounting courses offered through the BBA program allow you to obtain the required knowledge to pursue either the Schulich Master of Accounting (MAcc) after graduation, or enrol in the CPA PEP program. Both pathways lead to the much sought-after CPA designation.

Advance Your Studies

Consider your long-term career plans. Schulich offers a range of graduate programs designed to help you build on your strengths and advance your studies in the direction you choose.

- Master of Business Administration (**MBA**)
- MBA in Technology Leadership (**Tech MBA**)
- Master of Accounting (**MAcc**)
- Master of Business Analytics (**MBAN**)
- Master of Finance (**MF**)
- Master of Health Industry Administration (**MHIA**)
- Master of Management in Artificial Intelligence (**MMAI**)
- Master of Marketing (**MMKG**)
- Master of Real Estate & Infrastructure (**MREI**)
- Master of Supply Chain Management (**MSCM**)

Fast-track Your Career

Schulich BBA graduates can streamline their journey to an MBA or Master of Accounting (MAcc), earning an advanced degree faster and taking their careers further. Contact the admissions team for details at admissions@schulich.yorku.ca

Your Student Experience Goes Beyond the Classroom

Choose from over

25+

student-run clubs
and organizations

From investment banking to sustainable enterprise to the Schulich Protégé Program, you'll have the ability to pursue a broad spectrum of interests alongside your studies.

SCHULICH

The Undergraduate Business Society (UBS)

The UBS is the official student government of the undergraduate community at Schulich. UBS hosts several events, initiatives, and activities, and shares valuable resources and opportunities that help shape and enhance the student experience.

Women in Leadership (WIL)

Women in Leadership aims to help young women grow as leaders in all areas, with a focus on support, diversity, inclusion, fairness, and different identities. WIL also builds connections and hosts events that motivate and guide women in business.

Next Generation of Entrepreneurs

The entrepreneurial studies specialization works hand-in-hand with the Schulich Startups program, offering students practical support and mentorship. Today, the Schulich Startups community includes 150 companies, 200 founders, and a growing network of over 3,000 engaged members.

The Schulich Accounting Society (SAS)

The Schulich Accounting Society connects the Schulich community with the world of accounting by offering students useful skills, resources, and networking opportunities. Through events with industry professionals and leading accounting firms, SAS helps members build connections and gain real-world experience.

Full Term Exchange

You will have the opportunity to spend one term abroad on exchange in either year 3 or 4 of the program at one of Schulich's 60+ partner schools in 30+ countries.

Summer Exchange

Enhance your summer with a course or two abroad at one of Schulich's exchange partner schools. From fashion industry management to innovation boot camps, there is something to satisfy your diverse interests in both business and culture.

International Work Placement

Earn credit toward your degree by completing a summer internship abroad, or at a domestic organization conducting business that links two or more regions of the world.

Admission Requirements: Find Your Fit

Pursuing a business degree is an important decision. At Schulich, we provide an application experience that keeps you informed and empowered. Admission is based on a holistic review of grades and a supplementary application.

BACHELOR OF BUSINESS ADMINISTRATION (BBA)	
ADMISSION REQUIREMENTS	Ontario high school applicants must include the following among their top six 4U or 4M courses to be eligible for admission: • ENG4U* • MHF4U* • MCV4U or MDM4U The Schulich School of Business receives thousands of applications each year for several hundred spaces**. Ontario high school applicants should aim for a minimum average in the high 80s to low 90s. You will also be required to submit a supplementary application to help us better understand your experiences, strengths, and interests beyond academics. In addition to qualities like leadership, resilience, empathy, and entrepreneurial spirit, we welcome any insights into your background, community involvement, or efforts to support equity and inclusion. IB, out-of-province, or international curricula requirements can be found by visiting futurestudents.yorku.ca/requirements *A minimum of 70% in all prerequisite courses is required. No more than two 4M courses will be considered for admission. Courses taken in summer school <i>after an applicant has been admitted</i> will not be factored into an applicant's final admission average. **Meeting minimum requirements does not guarantee admission. Mature and transfer student applications are not accepted.
APPLICATION DEADLINES	OUAC Application Deadline for Early Consideration: November 6, 2026, 11:59 PM EST <i>Students who wish to be considered in the first review group should submit their OUAC application by this date.</i> Supplementary Application Deadline for Early Consideration: November 23, 2026, 11:59 PM EST* <i>Students who complete the supplementary application by November 23 will be prioritized for earlier holistic review. Applications submitted after this date will still be considered, but may be reviewed later in the admissions cycle due to the volume and timing of the review process.</i> Final OUAC Application Deadline: January 15, 2027, 11:59 PM EST Final Supplementary Application Submission Deadline: February 1, 2027, 11:59 PM EST *Supplementary applications are subject to a \$50 fee, payable through OUAC at the time of application.
LANGUAGE REQUIREMENTS	To gain admission, you must demonstrate English language proficiency by presenting a minimum proficiency score on an accepted language test. You are not required to submit proof of English proficiency (language test scores) if you have successfully completed, or are in the process of successfully completing four full years of study in English at an accredited high school in Canada, or four full years of study at the high-school level outside of Canada where English is the primary language of instruction. Navigating the Transition from High School

The transition from high school to university can be a big adjustment. From the moment you accept your offer of admission to Schulich, you'll have access to a variety of resources to help you navigate this next exciting phase of your life.

Pre-First Year Experience

Throughout the summer there will be a multitude of ways to connect with other incoming students virtually and in-person. You will have an opportunity to review your courses, learn about services available to students, and meet your peers.

Mandatory Advising

At key points in the Fall and Winter terms of your first and second year, you will be required to complete mandatory advising modules covering important topics to ensure you're staying on track.

First Year Advisor

A current Schulich student will serve as a dedicated resource to answer all of your questions the summer before beginning first year.

Student Success

Have concerns about what courses to take, an upcoming exam, or how to manage your time? Our Student Success Coordinators will meet with you to discuss all of the above, and more.

Financial Aid for Your Future Investment

Schulich is committed to funding pathways to provide financial aid through scholarships, awards, bursaries, loans, job opportunities, and academic guidance for success.

How to Fund Your Studies

KEEP YOUR GRADES UP

Access Schulich and York's top scholarships and entrance scholarships by achieving academic excellence.

APPLY FOR ENTRANCE SCHOLARSHIPS AND AWARDS

The Online Scholarships, Awards & Bursaries Application is open from December 1 to April 1 and is available through MyFile at go.yorku.ca/myfile. Your York reference number (provided when you applied for admission) is required to complete the online form. Apply early — you don't need to wait for an offer of admission.

APPLY FOR OSAP

A Schulich BBA is a strong investment in your future and OSAP can help make it more affordable. Eligible students may receive a mix of grants and loans to offset education costs. Use the OSAP aid estimator available at ontario.ca/osap to see how much government aid could be available to you. Submit your OSAP application and all required documents online through the OSAP webpage before July 15 to ensure your funding is available at the start of the Fall term. osap.gov.on.ca

APPLY FOR IN-COURSE SCHOLARSHIPS AND AWARDS

Once you are enrolled in classes, you can apply for in-course awards for each academic year. A single application, called the Financial Aid, Awards and Scholarships (FAAS) Application is used for scholarships, bursaries and on-campus employment programs. You should complete the FAAS Application to be considered for a variety of programs and funding. students.yorku.ca/sfs/scholarships-awards-bursaries

EXPLORE ON-CAMPUS JOB OPPORTUNITIES

Many York students work on campus to earn extra money, gain valuable experience and contribute to University life. Work in student services offices at a work/study position and gain technical experience and knowledge to help you prepare for your career.

Enhance your student experience and widen your professional networks by attending signature alumni events.

Participate in student club activities to gain access to the Schulich network, and connect with alumni from around the world through Schulich's Global Alumni Chapters. Tap into exclusive alumni services for students including the popular Alumni2Student mentorship program, open to third and fourth year undergrads.

"Your program here at Schulich is just the beginning! Our Global Alumni Network is a tremendous asset — opening up connections, knowledge sharing and opportunities that extend far beyond graduation."

Pamela Laycock (MBA '89)
President,
Schulich Global Alumni Network

Schulich's Bachelor of Business Administration offers a transformational, real-world learning experience that lays the foundation for career success, fosters lifelong friendships and serves as your passport to today's complex business world.
